### Impact & NGO

#### WHAT CAN THE HAGUE DO FOR THE IMPACT ECOSYSTEM?

The Hague, known as the International City of Peace and Justice, provides a thriving environment for impact-driven businesses. Through its [ImpactCity program](#), The Hague fosters innovation, meaningful connections, and ambition, making it an ideal place for organisations and congresses focused on environmental and social innovation.

With a vibrant ecosystem of international organisations, IT talent, and impact entrepreneurs, The Hague is at the forefront of advancements in renewable energy, climate adaptation, and humanitarian innovation. The city's close-knit community and efficient communication channels make collaboration seamless, driving innovative solutions to global challenges.

The Hague's impact ecosystem, comprising start-ups, investors, NGOs, and knowledge institutions, is dedicated to achieving the United Nations' Sustainable Development Goals. Here, economic success and social impact go hand in hand, offering clusters the resources, talent, and opportunities to make a meaningful difference globally.

#### ABOUT THE HAGUE & PARTNERS

We are a non-profit publicly funded organisation, helping innovating business pioneers to strategically expand their business operations to Europe. We support international companies by offering tailor-made programs and solutions allowing them to access local capital and talent pools. Furthermore, we help event professionals, meeting organisers and incentive planners access The Hague's knowledge and event infrastructure and create events to remember.
