

FREE ONLINE WORKSHOP

◆ Dear Partner

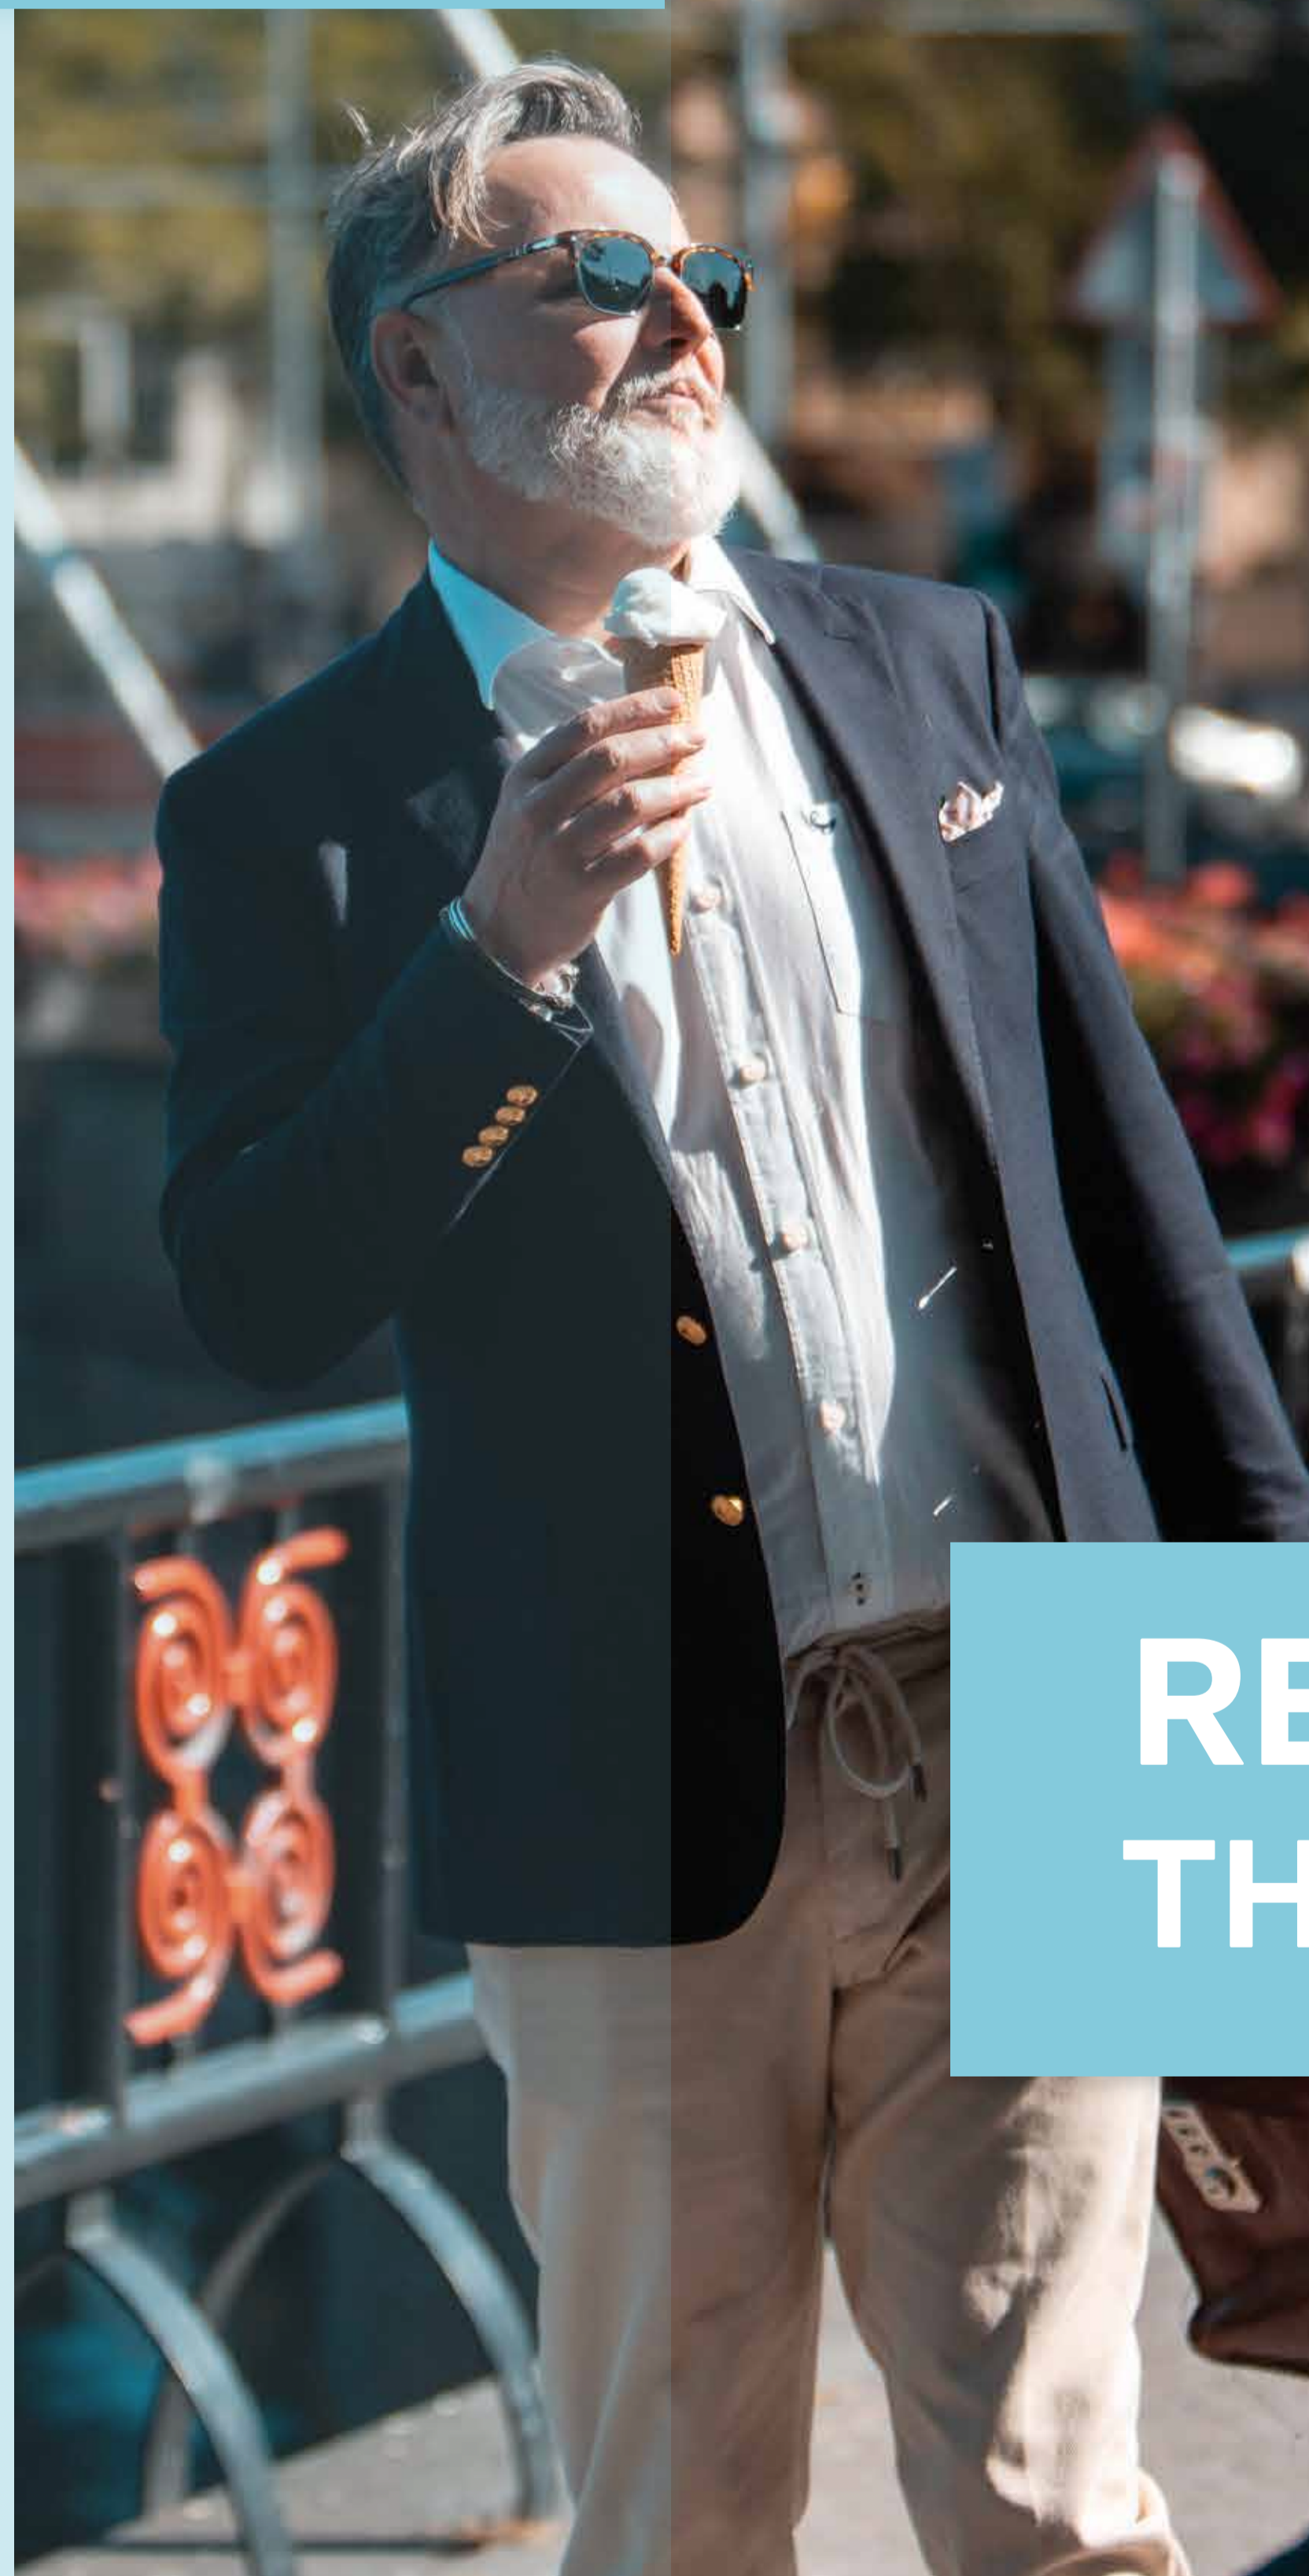

As the new year started we are excited to give you the possibility to join a free workshop organised by Event Design Collective and The Hague Convention Bureau.

◆ Events

Events are vital for your business and can sometimes be challenging in a complex stakeholder environment. We understand that.

◆ Workshop

That's why we are excited to offer you an online Event Design workshop that will give you confidence and peace of mind when (re)designing events that create a legacy. During the workshop, we will discover the innovative Event Canvas™ methodology.

◆ How does it work?

Using the Event Canvas™ methodology will help you to bring structure and discover the needs and motivations of your stakeholders, while aligning them to the objectives of the organisation.

◆ The End Result

With the Event Canvas methodology you can achieve results that are profitable, measurable and long-term.

◆ Join Us!

Join this free workshop to produce a better return on investment for you and your stakeholders through meetings and events.
