

TRIBE DEN HAAG CENTRAAL

TRIBE is made for an international cast of frequent travellers who want something more, for less. It's all about « mix&match »: TRIBE thinks out-of-the box to create a high-end experience at a fair price. Gone are outdated and unwanted services, inefficient check-in and check-outs, overpriced mini bars and stuffy spas. TRIBE's designer driven and highly functional rooms are sophisticated and unique. TRIBE is embodied by cool, fancy and authentic staff members who master the art of taking care of our guests.

Modern travellers. We made this hotel for you.
